

VIVID FOR VERSASPA TANNING SOLUTIONS

Norvell's VIVID solutions for the VersaSpa utilize micro-nutrient technology to deliver a Vivid spray tan every time!

Clear: Color that intensifies overtime! Ideal for clients that crave a spray tan without immediate cosmetic color.

Bronze: Get the natural look! Ideal for clients looking for a natural tan, developed with warm brown undertones.

Venetian: Need the exotic, Riviera tan? Ideal for clients looking for the Riviera beach tan, developed with cool violet-brown undertones.

1 SMART COLOR TECHNOLOGY

- Patented blend of DHA & unique bronzers*
- Newest technology for vibrant color results
- Time release micro-capsules provide 24-hour hydration

2 ALL ABOUT THAT BASE

- All your sunless tans are based on the client's base skin color plus the active ingredient in the spray tan solution, DHA

3 SAY GOODBYE TO THE SMELL

- Norvell formulates with breakthrough odor control technology, Ordenone®, designed to virtually eliminate the odor commonly caused by sunless tanning products by encapsulating malodor molecules.
- Clear plus is fragrance with Raspberry Almond—always nut allergy free!

4 PURPOSEFUL PACKAGING

- Norvell offers all shades in 180 fl. oz. Keep these stored in a cool environment, unexposed to heat & light to ensure you spray the most active solution possible prior to putting into booth.
