

VIVID COSMO LIGHT HANDHELD SOLUTION

Norvell's newest solution **UVC Cosmo Light** contains our most innovative, proprietary mix of bronzers. This solution utilizes mirco-nutrient technology to deliver a spray tan filled with a potent blend of vitamins and antioxidants for a perfect boost to your client's skin color.

1 ALL ABOUT THAT BASE

- Proprietary blend of Norvell's hottest solutions...Venetian and Dark! Cosmo will work with your base skin color to give you the beautiful glow!

2 NATURALLY DERIVED & ORGANIC INGREDIENTS

- **ORGANIC** alcohol derived from sugar cane
- **ORGANIC** aloe leaf juice for long lasting moisturization
- **VITAMIN C** helps with moisturization, firming, brightening and smoothing of skin
- **VITAMIN E, TOMATO EXTRACT** and **CRANBERRY EXTRACT** provide healing, anti-aging and antioxidants

3 SAY GOODBYE TO THE SMELL

- Cosmo is fragranced with the essence of vanilla summer, a deliberate fragrance combination that actually helps in eliminating that sunless tanning smell.
- Not just nice to smell, these formulations encapsulate the molecules that occur when DHA reacts with the chemistry of one's skin rather than merely masking it.

4 QUICK DRY

- Quickest drying formula ever developed

5 COLOR RESULTS

Available Size: 8 oz Bottle, 34 fl oz Everfresh, 128 fl oz Everfresh

ADDITIONAL FEATURES & BENEFITS:

QUALITY CONTROLLED DIHYDROXYACETONE

The quality of DHA used in sunless products is directly related to the outcome of your sunless tan. Norvell is the largest user of DHA in the world and our on-site laboratory tests each batch as it arrives in our facility to ensure peak performance.
